Accommodations

Deer Run Cabins

- The bulk of the sleeping capacity is comprised of dorm style (bunk beds) sleeping accommodations located in Deer Run Lodge or cabins in the woods. These cabins and dorm rooms accommodate up to 15 people. Each cabin has their own sinks, toilets and showers.
- Please note: We have split the main cabin and the back room to accommodate more alumni. If you need both, you will need to reserve and pay for both.

Brookwoods Cabins

- Cabins have lots of bunk beds, a sink and a toilet. The Shower House is divided into men's and women's sections.
- Please note: We have split the main cabin and the back room to accommodate more alumni. If you need both, you will need to reserve and pay for both.

All-male & All-female Cabins

- If you are coming on your own or don't need a whole cabin, and are interesting in "bunking up" with other alumni, we will hold these cabins until August 1st if there is interest. Pricing for families in these cabins can be modified.

Chicken Coop

- Sleeps 4. Great for a family with young children.

Linens, Sleeping Bags & Towels

- Please bring your own sleeping bag, (or bed linens), towels, and pillows if you are staying in a Brookwoods or Deer Run cabin or the Coop. If you are not using a sleeping bag, standard twin sized sheets will fit our bunk bed mattresses.

Private Rooms: Deer Run Lodge & Loon

- These rooms are available for couples or families with young children.
- 4 private rooms in the Loon, with a queen or king size bed. Each room has a bunk bed. Complete with linens.
- 10 private rooms in Deer Run Lodge, complete with linens. Seven rooms have queen beds, and three rooms have a king bed or two twin beds.

Put the dog in the kennel, forget voice mail and come to camp!

First things first!

And then pancakes and eggs for all!
Oh, don't forget about the coffee cake!

Important things to remember

- If you have any questions about the accommodations, please call our office. If you would like to share a cabin with other families or friends, we are happy to help. All accommodations are on a first-come, first-serve basis. We appreciate early registrations!
- Select the type of accommodations you desire on the registration form. Please keep in mind private rooms are ideal for couples and cabins are great for families.
- Supervision for children will be the responsibility of the parent throughout the weekend.
- Camp guidelines will apply for the weekend. These include: the prohibition of the use of tobacco products, alcohol, weapons and fireworks. Camp staff reserves the right to ask guests to change any behavior which is not in keeping with camp policies and philosophy. We request that swimsuits be modest.
- Medications and medical care will be the responsibility of the individual or family. We will not have a "camp nurse" during Alumni Camp.
- Please make arrangements for dogs, cats and pandas to stay at home. Teddy bears (and other stuffed critters) are welcome.
- Food is not permitted in cabins due to the chance of bears, rodents & snipe attacks.
