PAID  
Permit No. 31  
Randolph, NY

**This year, we are changing it up!** Our **Weekend of Giving** looks a bit different this year in light of the Coronavirus pandemic. Because we have lost revenue due to our shortened spring conference season and the inability to operate our summer kids' programs, we are experiencing an *immediate* and *significant* revenue shortfall which could be as much as \$950,000 by year's end. This deficit will impact our ability to meet our ongoing financial commitments. Donations to Camp's General Fund will help offset this need and keep the ministry strong.

**It's a big number, but we have a big God,** and we are confident in his provision knowing that the Lord works through the generosity of his people. Therefore, if you are able, please consider a gift to Camp during our **Weekend of Giving, July 24-26th** (what would have been "Changeover"—the midpoint of camp) and help us boost the General Fund by **\$75,000** in just three days!

**Give online at [christiancamps.net/give-back/donate-online](https://christiancamps.net/give-back/donate-online)  
or text **WG2020** to **(603) 606-9606**.**

**Questions?** Please email Ann Higgins, Director of Development, [ann@christiancamps.net](mailto:ann@christiancamps.net)
