

Meet the challenge! Boost the Scholarship Fund!
Weekend of Giving 2021 July 23-25

Camp is On, and we're excited!

We are thrilled to have campers back at our camps this summer. We could not have gotten through 2020 without our generous camp family (Thank YOU!) and this year we have a special challenge for Weekend of Giving 2021 to make every donation go further!

A group of generous donors have come together to pledge a combined total of \$75,000 to the Scholarship Fund if we receive donations totaling \$75,000 or more over Changeover Weekend, July 23-25.

This summer, we have experienced increased summer operating expenses due to required COVID related protocols like testing, stringent cleaning requirements, multiple seatings for meals, and PPE. Additionally, camp families have expressed a significant need for scholarship assistance to make coming to Camp Brookwoods, Deer Run, or Moose River Outpost a reality.

This year, your gift counts double—it helps cover critical operational expenses AND brings kids to camp!

Camp changes lives. Help us meet the challenge and see changed lives at camp by donating during our **Weekend of Giving, July 23-25**. Meeting this challenge means a total of \$150,000 to strengthen our gospel-centered communities where lives are transformed for Christ!
