|---|--|

Optional Items: (please label with your camper's name) Fishing gear, baseball glove, tennis racquet, lacrosse stick, non-electric musical instrument (no tubas or drums)!

**\*\*Footwear** Many foot injuries at camp can be prevented through use of proper footwear. Camp is a tough environment for feet with dirt roads, paths through the woods, and an abundance of sticks and rocks. The BEST footwear you can provide your kids at camp are types with closed toes that also have straps to remain on the feet while running. Sneakers and closed toe sport sandals work well. No campers will be permitted to engage in activities if they are wearing any type of footwear that does not have a strap. The exception to this will be at the waterfront or walking to the boy's shower house at Brookwoods, where "flip flops" are permitted
