Weekend of Giving 2022

July 22-24

Almost every bunk at Camp Brookwoods, Deer Run, and Moose River Outpost is occupied this summer...praise the Lord! But, many of those campers needed financial assistance to get here. Camp changes lives and we want to make it possible for every kid who wants to come to camp to have that opportunity. Can you help?

Our goal is to celebrate our fifth Weekend of Giving by boosting the Scholarship Fund by \$75,000.

***Ever considered
monthly giving?
Make your
donation a
recurring monthly gift
now and Camp gets \$1000!***

As you may have heard, a generous alumni family has pledged \$1000 for every new monthly donor, up to 100 new monthly donors. That's potentially an additional \$100,000 for camp! Help us get "100 New in 2022" when you join the Campfire Circle monthly donor program.
