# Give the gift of Camp!

We are excited for Camp 2024 as we hope to have another record-breaking summer, hosting more campers than ever. More campers mean we also need more Scholarship Funds. We anticipate gifting well over \$300,000 to help kids get to camp. We truly need your help to share camp and the love of Jesus with families who need tuition assistance.

This year we celebrate 80 years of ministry — can you believe it? The Lord has graciously sustained Camp Brookwoods, Deer Run, and Moose River Outpost these many years. We constantly hear amazing stories of God’s faithfulness as he continues to work in the thousands and thousands of lives that have been changed for his glory through these gospel-centered communities.

**In celebration of this milestone, our goal for the Weekend of Giving is \$80,000.**

**Ways to Give** *Early bird gifts are welcome!*

- Mail a check to the Main Office and mark it for the Weekend of Giving
- Donate online at [christiancamps.net/donate](http://christiancamps.net/donate) (use the Weekend of Giving pull-down)

**Camp changes lives and every gift helps us share the love of Jesus. Thank you!**
